OUTREACH: PARENT & COMMUNITY SURVEY

2020 | FACILITIES MASTER PLAN

OUTREACH Parent & Community Survey

An online survey was distributed to parents and other community members throughout the district. This survey was available in English, Japanese, Mandarin, and Spanish. Responses were distributed as follows:

655	English
60	Japanese
98	Mandarin
3	Spanish
816	Total responses submitted

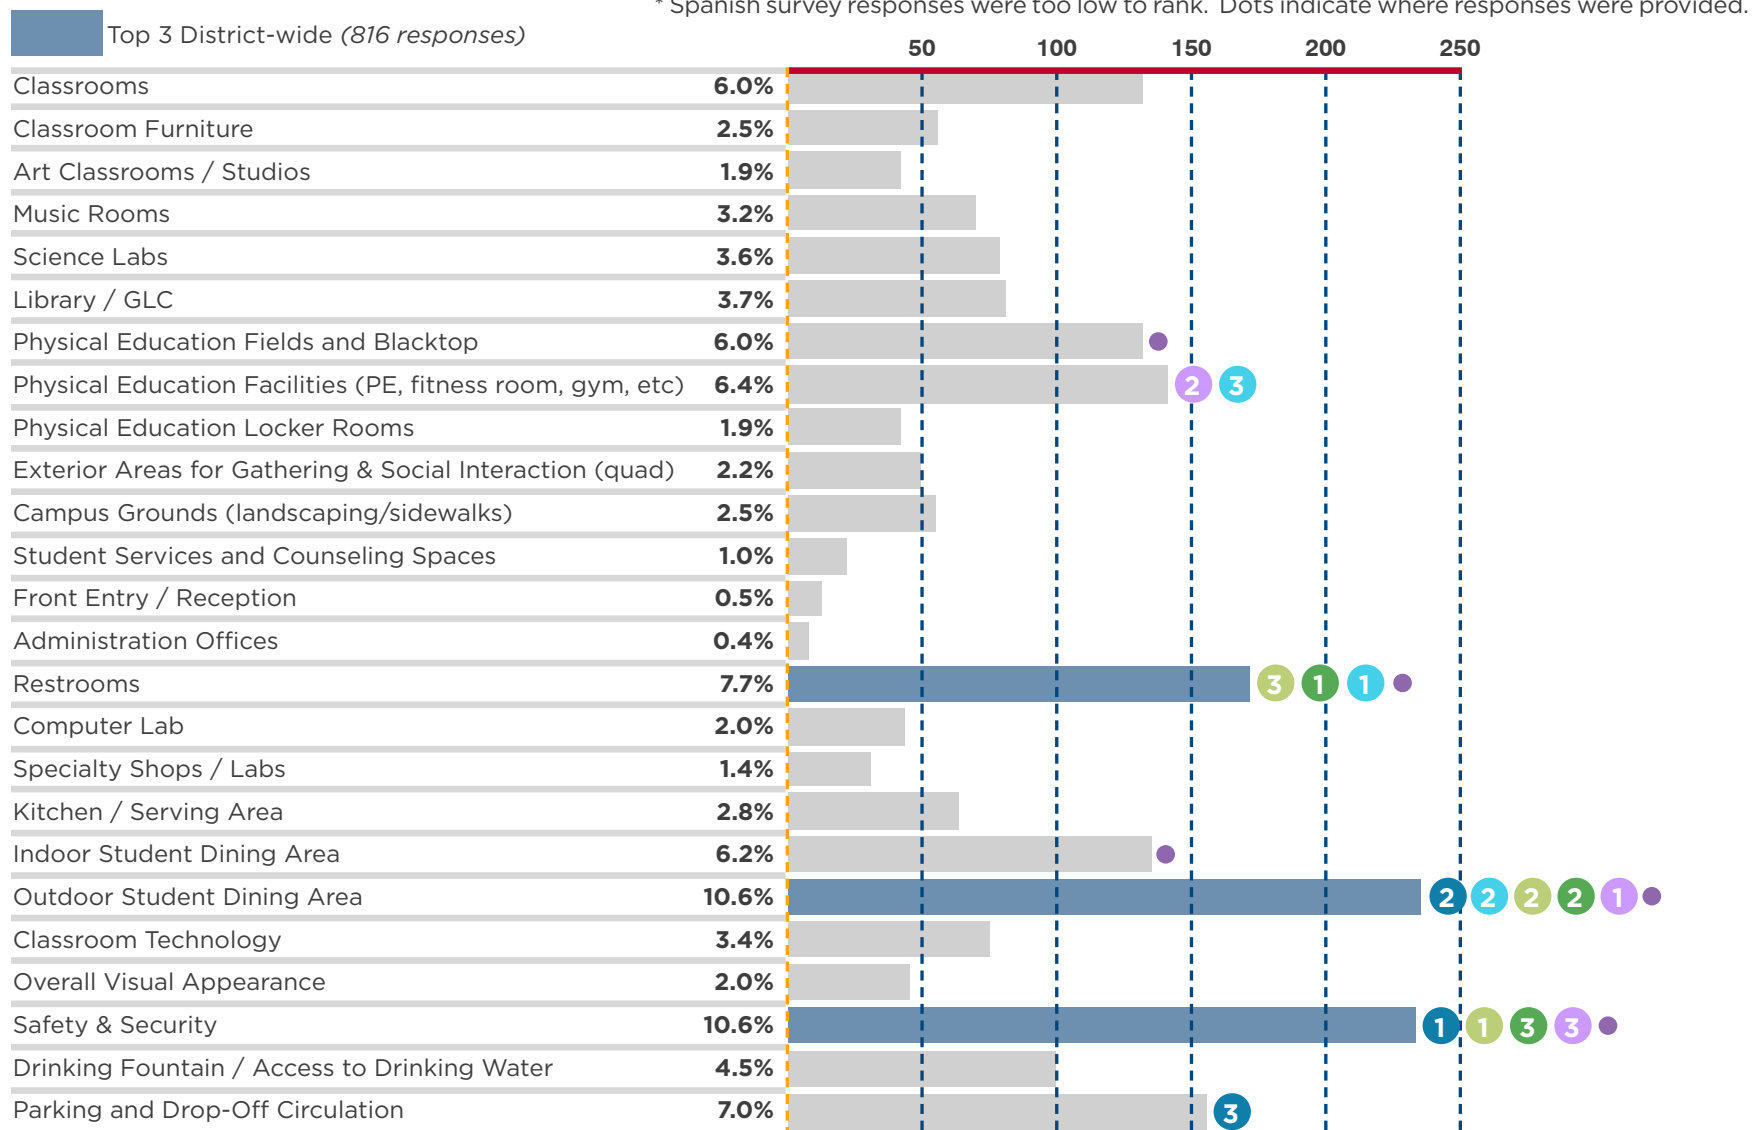

After a few initial questions to get to know the audience and their associated school site, respondents were asked to select their top 3 priorities regarding existing spaces that currently require the greatest amount of improvement, then to select their top 3 priorities regarding desired new spaces or enhancements at their child's / their neighborhood school. Respondents were allowed to submit responses for up to two different school sites.

The responses provided were distributed as follows among the individual school sites.
